

HELLO RAIDER FAMILIES,

I AM KAITLIN MARTIN (FORMERLY BISHOPP), YOUR SCHOOL COUNSELOR AT REEVES! I AM SO EXCITED TO HAVE THE OPPORTUNITY TO WORK WITH YOU ALL.

About Me...

I am a cisgender female, am married to the most wonderful man I know (look left!), love to eat french fries and chocolate (separately, of course), and love to listen to others and problem-solve. I have lived in Olympia for most of my life, attending Meadows, Centennial, ORLA, and Tumwater High School. I attended Gonzaga University and earned degrees in Psychology and School Counseling. While at Gonzaga, I worked at a local high school and volunteered at a K-8 school.

When COVID-19 hit in March 2020, I was forced to leave my students, move back to Olympia, and finish school online. To say I can empathize with your students is an understatement... I know **exactly** what they have gone through over the past year and a half. I want to be there for you and your students; I hope you will allow me that privilege!

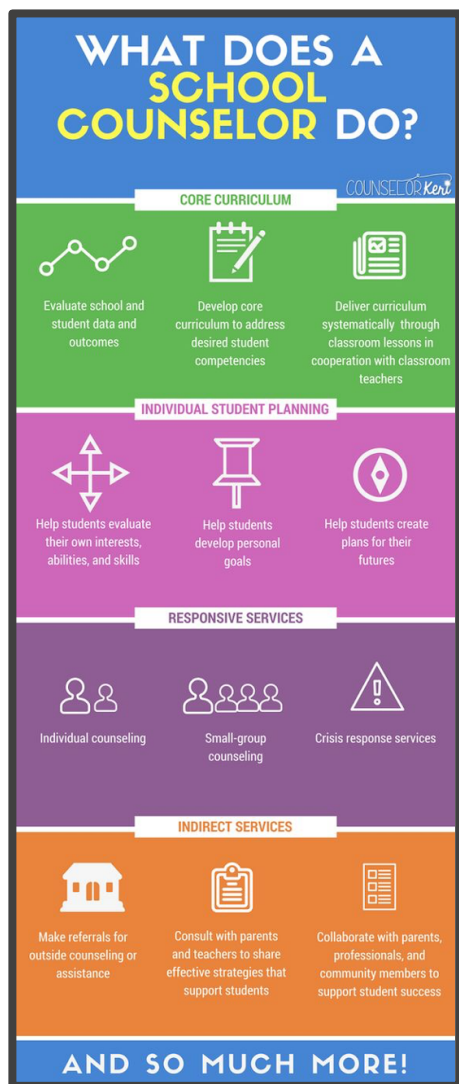

Now, what do I actually do?

Some of the most important things I do are: meet with students and families, run small groups, help students choose their classes, develop goals, make plans for the future, gain access to resources, and be successful learners. I will also help students with peer conflicts, emotion regulation, and developing their own personal identity. On the left, you will see an infographic that outlines other parts of my job!

ONCE AGAIN, I AM SO EXCITED TO WORK WITH YOU AND YOUR STUDENTS.

If you have any questions, please do not hesitate to reach out to me. If I cannot help you, I am always more than happy to redirect you to someone who can.

Sincerely,
Kaitlin Martin
